

JOHN E VIVAS

FULLSTACK DEVELOPER

+57 (319) 663-5716

j.vivas0122@gmail.com

Web developer with experience in technologies like JavaScript (React, Node.js), Java (Spring), Dart (Flutter), and Python (Django). Fluent in Spanish and with an intermediate level of English. I am looking for opportunities to continue developing as a programmer and contribute to projects involving both frontend and backend. Available to start work immediately.
